Will Receive Underwriters Award

Monroe, Va. – B. Earl Clapp, Appomattox native who is area manager, Woodmen of the World, will be awarded the coveted Chartered Life Underwriter designation at National Conferment Exercises of the American College of Life Underwriters in New Orleans, La., on Sept. 28.

The American College of Life Underwriters grants the C.L.U. designation to persons engaged in activities relating to the insuring of human life values and who pass a series of professional examinations and meet the stringent experience and ethical requirements of the College. This year 2,100 men and women will be awarded the designation, bring to 23,554 the number of people who have received it since the College was founded in 1927.

Mr. Clapp has been active in Woodmen activities for twenty years.

Beginning as a representative he was promoted to the position of district manager in 1963 and became manager of the Tall Tree Area in 1965. The Tall Tree Area covers eleven counties and has been the leading area in sales and membership each year since then in the state of Virginia. Nationwide, the Tall Tree area has placed second in membership and sales and another year, fourth in membership and sales.

R. Earl Clapp

Mr. Clapp's mother, Mrs. Ruth R. Clapp, lives in Appomattox. He is a former Jaycee, a member of Monroe Baptist Church and president of the Monroe P–TA.

He is married to the former Mackie McCormick of Appomattox and they have two children, Denise Darneal Clapp, a freshman at Madison College and Clinton Earl Clapp, second year student at Virginia Episcopal School, Lynchburg.

The typical candidate for the C.L.U. designation enrolls in a special study class at a college or university and spends four to five years in the program. Persons who attain the Chartered Life Underwriter designation are privileged to use the term or its abbreviation (C.L.U.) after their names and to wear the C.L.U. key. They are also eligible to become members of the American Society of Chartered Life Underwriters, a professional body whose principal objective is to maintain high standards of insurance service to the public.

WHAT'S ALL THIS LOOSE TALK ABOUT TIGHT MONEY

The government's anti-inflation program is certainly in the news these days. So much so that it's become a favorite topic of conversation. Everybody, it seems, is talking about "tight money."

Well, just how tight is money, anyway? If you're a giant corporation that wants to borrow several million, it's very tight indeed. But if you're an individual who needs a personal loan for a sound purpose, that's another story. Because despite all the loose talk about tight money, Fidelity has money to lend. You can get it for needed home improvements, taxes or any real family requirement.

So if tight money has you in a bind, come to see us.

Chances are we can help.

First Aid Training Pays Off!

Vicky Hudson (Mrs. J. L.) was one of the first motorists to arrive at the scene of a four-vehicle wreck at Spout Run Thursday in which two women were seriously hurt. Mrs. Hudson, graduate of two first aid courses taught in Appomattox by Rescue Squad personnel administered first aid until the Squad vehicles arrived. Squad member Richard Wright also came by in his car and assisted. Both troopers were loud in praise of the work of Mrs. Hudson, Mr. Bartelt and others who helped. Squad first aid instructors are Pete Wright, Jr. Beasley, Jack Williams and Doug Seamster. For the second time in a ten day period both vehicles were in Lynchburg – having Appomattox County without an ambulance and emergency equipment in case of a call. Squadmen were busy today, also, with several automobile accidents and other emergencies.
